

Haringey

Conservation Projects in Haringey:

TCV is the largest environmental volunteering charity in the country. We do conservation work in various parks, nature reserves and woodlands in Haringey.

New volunteers are always welcome! We provide the leadership, tools, and training. Wear suitable outdoor clothing and sturdy footwear. Bring a packed lunch.

Volunteers enjoying tea and biscuits at The Paddock N17 .

Cabins, toilets, drinking water, kettle, fridge and more are now available on site!

Come along on Wednesdays and Fridays to check it out.

Springfield Park

Saturday 12 March 10:30am-2pm

Our Saturday sessions at Springfield aim to make improvements to the key nature areas of the park (including 2 ponds and a woodland) and carry out a range of other management tasks.

Springfield Park is in need of YOUR help! Join TCV and the local community of Springfield Park to help make some positive changes to a small but well-loved park in Haringey.

Please sign up to sessions on Eventbrite

Volunteers

Haringey
LONDON

BAT North Needs You!

Every Monday
10-3.30

It's a great opportunity to learn all sorts of practical skills, from tree planting to hedgelaying, pond construction to woodland management, whilst also caring for some of London's most important and beautiful green spaces.

There's no minimum commitment, so why not give it a try?

Upcoming projects on
tcv.org.uk/batnorth
